Natural gas transportation tariff status

MATERIAL UPSIDE WITH HIGH TARIFF INCREASE IN 2024 AND POSITIVE 5 YEAR TARIFF REVISION

April 2019

December 2019

December 2023

April 2024

April 2025

26% Tariff increase

Last tariff increase under the 2017 5-Year Tariff Revision (5YTR).

Emergency law and decrees

1. Suspension of 2017 5YTR.
2. ENARGAS granted 2 transitional tariff adjustments:
 - March 2022: 60%.
 - April 2023: 95%.

Emergency of the national energy sector decree

- Decrees No. 55/2023 and 1023/2024:
1. 5YTR (Deadline July 9, 2025).
 2. Transitional tariff increases.

Tariff normalization

675% tariff increase (2024: 4% in August, 1% in September, 2.7% in October, 3.5% in November, 3% in December; 2025: 2.5% in January, 1.5% in February, 1.7% in March).

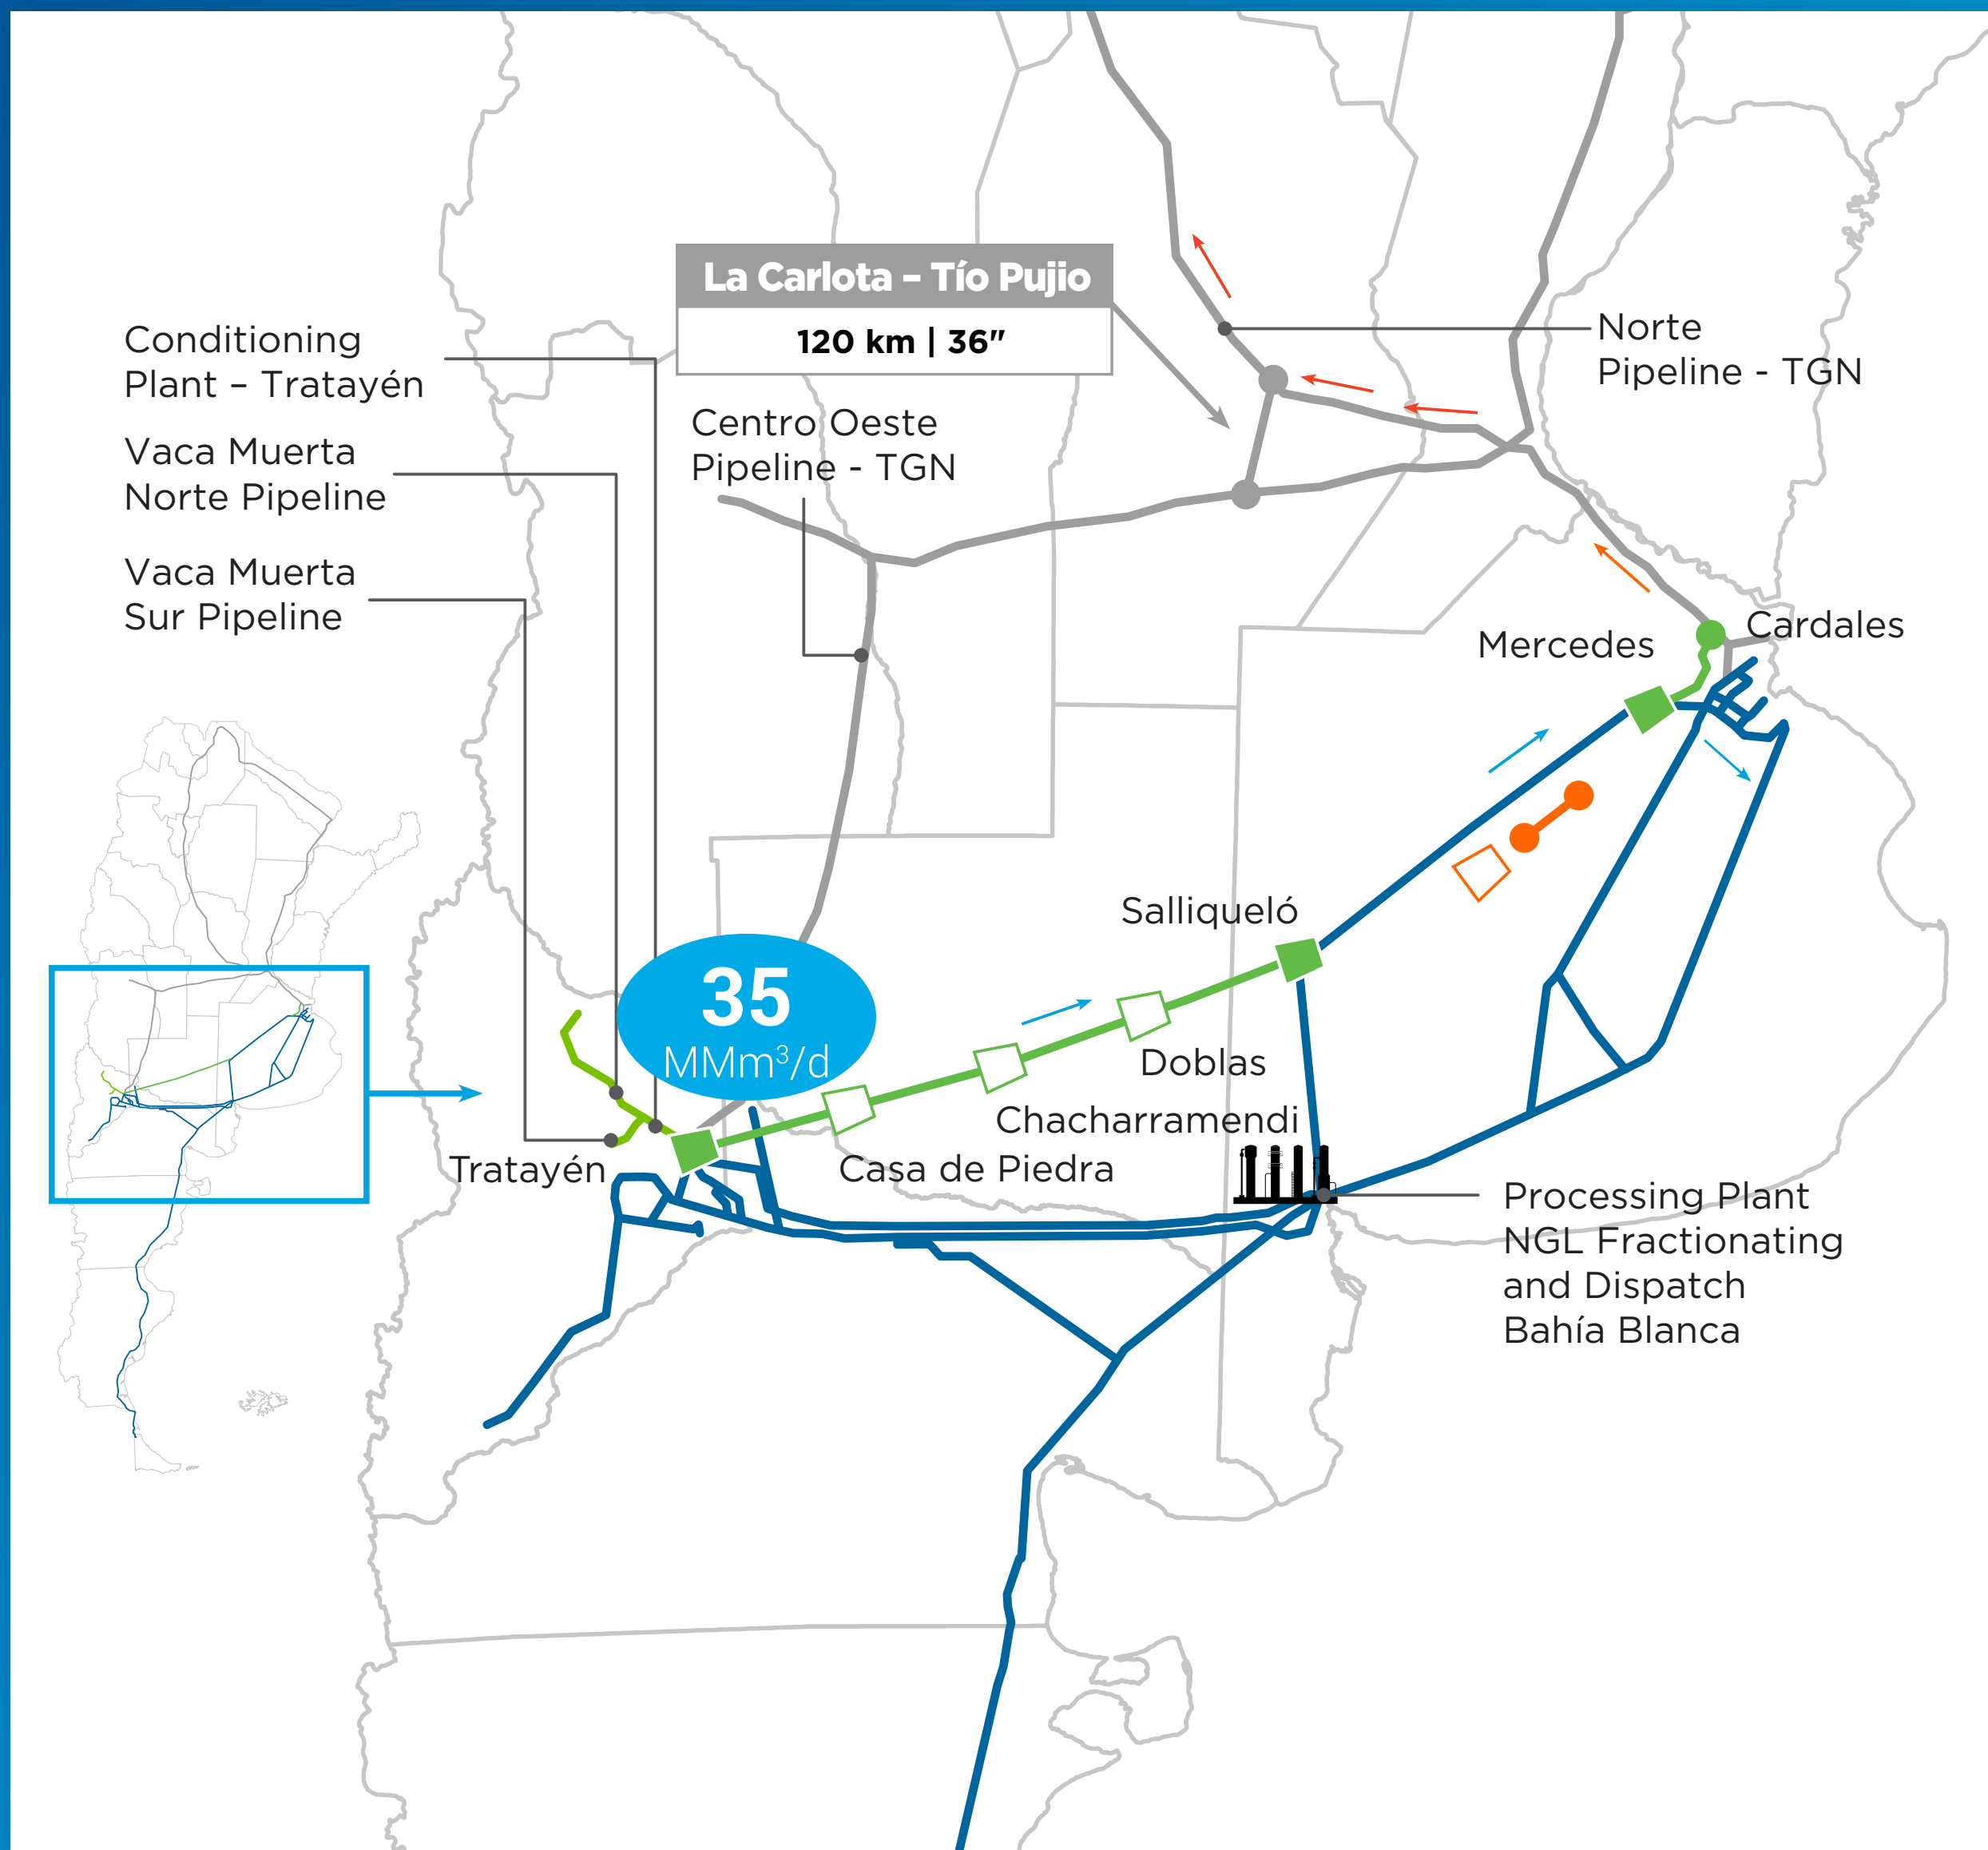

5YTR outputs

- 3.67% weight average tariffs increase.
- Monthly tariff adjustment by WPI and CPI.
- WACC: 7.18% (real and after tax).
- ~US\$ 320MM maintenance capex plan (5 years).

LICENCE RENEWAL

- License extension requested to ENARGAS in 2023 (10 year license from 2027 to 2037).
- As per the approved "Ley Bases" the expected renewal could be granted for 20 years, until 2047.
- ENARGAS has already signed a favorable technical and legal report.
- Public hearing held on October 21, 2024 and subsequent ENARGAS controller sign-off.
- The National Executive Power should grant **tgs** the license extension by a decree.

14 MMm³/d Transportation Capacity Expansion Project Proposal

- To maximize tgs' midstream business in Vaca Muerta.
- To replace more expensive LNG and diesel imports.
- To be built in 1.5 years.

	MMm ³ /d	KM	HP
500 MM U\$S	14	-	90,000
GPM Section I			

- Private Initiative presented to the National Government which implies a bidding process.
- U\$S tariff (Hydrocarbons Law).
- Executable under the RIGI (tax benefits).

	MMm ³ /d	KM	HP
200 MM U\$S	12	20	15,000
Final Sections			

- Executable under the terms of the license (Ar\$ tariff).

Our assets in Bahía Blanca

tgs is one of the largest producers of liquids in Argentina

LIQUIDS REVENUES AND EBITDA (US\$MM)

Commitment to Sustainable Development Goals (SDGs)

Priority objectives for tgs

ENVIRONMENTAL

SOCIAL

GOVERNANCE

ESG Strategic Plan

ENVIRONMENT

STRATEGY OBJECTIVE

Preserve the environment through a responsible consumption and the minimization of negative impacts in the execution of our operations.

GOALS

- To reduce methane emissions to 50% by 2030.
- To achieve a 50% recycling rate by 2026.
- To recover 80% of sewage effluent for irrigation by 2025.

SOCIAL

STRATEGY OBJECTIVE

Develop safe and healthy practices. Promote diversity and equality by maintaining long lasting relationships that enable the professional development of employees. Encourage dialogue with communities.

GOALS

- To increase every year the percentage of social investment outreach measured in beneficiaries.
- To maintain and increase the % of indigenous communities covered by the social and/or development plan.
- To maintain and annually increase the % of employee satisfaction.

CORPORATE GOVERNANCE

STRATEGY OBJECTIVE

To manage our businesses within a framework of integrity, in an ethical, transparent and sustainable way, to generate value for our stakeholders.

GOALS

- To achieve 100% acceptance of the Code of Conduct by tgs employees, Directors and Trustees.
- To reach 75% of employees and business partners trained in anti-corruption. To process all complaints made.
- To comply with the expected availability of services of 99.82% according to the measurement methodology defined by **tgs**.
- To train personnel in the critical eye for the identification of phishing with the aim of annually decreasing the % of people who do not recognize these techniques.

The material that follows is a presentation of general background information about Transportadora de Gas del Sur S.A. (“TGS” or the “Company”) as of the date of issue of the presentation. It is information in summary form and does not purport to be complete. It is not intended to be relied upon as advice to potential investors. This presentation is strictly confidential and cannot be disclosed to any other person. No representation or warranty, express or implied, is made concerning, and no reliance should be placed on the accuracy, fairness, or completeness of the information provided herein.

This presentation contains information and statements that are forward-looking within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended (the ‘Securities Act’) and Section 21E of the U.S. Securities Exchange Act of 1934, as amended. Forward-looking statements are statements that are not historical facts. These statements are only predictions based on our current assumptions, expectations and projections about future events. Forward-looking statements may be identified by the words ‘believe’, ‘expect’, ‘anticipate’, ‘target’, or similar expressions. While TGS’s management believes that the expectations reflected in such forward-looking statements are reasonable, investors are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and are generally beyond TGS’s control, and could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ materially from those in the forward-looking statements as a result

of various factors. These risks and uncertainties include, but are not limited to, changing business, regulatory, political or other market conditions in Argentina and elsewhere, the completion of TGS’s tariff revision process, the prospects for growth anticipated by our management, and other risks and uncertainties discussed in our reports and other documents filed with the U.S. Securities and Exchange Commission. These reports and documents may address new or different factors that may cause our results to differ materially from those in the forward-looking statements. Furthermore, TGS undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise, nor makes any representation or warranty, expressed or implied, as to the accuracy or completeness of the information contained herein, and no information contained herein is, or shall be relied upon as a promise or representation that any such forward looking statements will be achieved. Management is not making any representation about the likely existence of any particular future set of facts or circumstances. You are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date on which they were made.

This presentation does not constitute an offer, or invitation, or solicitation of offer to subscribe for or purchase any securities. Neither this presentation nor any information contained herein shall form the basis of any contract or commitment whatsoever. Securities cannot be offered or sold in the United States unless they are registered or exempt from registration under the Securities Act. Any offering of securities to be made in the United States must be made by means of a prospectus or offering filed in connection with any such offering.
